

Together, **WE SHAPE THE FUTURE.**

There are many ways you can make a difference at the University of Louisiana at Lafayette.

From strengthening student success in the classroom and on the field to bolstering innovative research and impactful community initiatives, each gift can be designated to the area that is most meaningful to you.

Give today and join the more than 25,000 donors who have committed to shaping the future of UL Lafayette during the largest comprehensive fundraising campaign in its history.

CASH

Gifts of liquid assets—including cash, checks, debit and credit cards, and electronic fund transfers—can be used immediately or to create an endowment for lasting support.

BEQUEST

Include UL Lafayette in your will or trust with the help of a financial advisor. This easy way to share your generosity can reduce tax burdens while allowing your legacy to live on in the lives of students for years to come.

QUALIFIED CHARITABLE DISTRIBUTION

For donors ages 70.5 and older, a charitable rollover can reduce income and taxes from IRA withdrawals and reduces taxable income. Your IRA custodian can help you establish a gift that satisfies your required minimum distribution and fulfills your giving priorities.

RETIREMENT PLAN BENEFICIARY DESIGNATION

Simplify your retirement planning and support your favorite UL Lafayette initiatives by gifting any retirement assets not used during your lifetime. This arrangement can also provide your loved ones with potential tax savings and relief from certain tax liabilities.

STOCKS, BONDS AND SECURITIES

Donating appreciated stocks, bonds or securities is an effective way to support programs that are important to you. A transfer to UL Lafayette helps you avoid paying capital gains tax on the sale of these appreciated assets.

DONOR-ADVISED FUNDS

A flexible vehicle for donating stocks or cash, donor-advised funds have many benefits. Contributions to donor-advised funds grow tax-free, making it possible for your impact to be even greater. Your children can even carry on your legacy of giving beyond your lifetime.

CORPORATE MATCHING GIFTS

Many employers offer a gift program that will match the charitable contributions of current employees, retirees and their spouses. Contact your HR department or go to give.louisiana.edu/matching to see if your employer offers a matching gift program. This simple step may double or triple your gift at no additional cost to you.
